

DAA Research Prize 2019
ANZAED Adelaide 2019 Conference

Eligibility: All Accredited Practicing Dietitians that are presenters of short oral papers, workshops based on research or have a poster at the ANZAED conference will be eligible for the award. Only APDs who are principal authors and present the paper at the conference will be eligible to receive the award.

Judging Criteria: Each nomination will be assessed according to the following criteria:

- a) Contribution to extending the knowledge base on dietetics in the field of eating disorders
- b) Relevance and usefulness of implementing this knowledge in practice
- c) Quality of the research
- d) Quality of the presentation

Judging will occur in two stages:

1. The Dietitians Association of Australia Eating Disorder Interest Group committee will review all nominated abstracts/posters/presentations using criteria a and b and the 3 top nominations will be identified.
2. Representative/s from The Dietitians Association of Australia Eating Disorder Interest Group committee and at least one ANZAED representative will attend the shortlisted nominations (at least 2 representatives at each presentation) and selected the select the winner based on criteria a, b, c and d.

Emphasis is will be placed on criteria a & b, Presentations that have the potential to challenge/change current practice or foster professional debate.
